

Little Ribston Parish Council

POO CAM

The Parish Council has purchased a battery-operated camera in response to a parishioner's complaint regarding dog fouling on their property.

Parishioners can borrow this camera if they have an issue with irresponsible dog owners allowing their dogs to foul the footpaths and verges close to their properties. The rechargeable battery-operated camera can be monitored using Wi-Fi or it will record onto an SD card.

It would be the responsibility of the parishioner to deal with any issues which arise from the use of the camera. It will be the responsibility of the user to make sure that they adhere to the law and use the camera in an appropriate manner.

Please contact ribstonparishclerk@gmail.com if you would like to borrow this camera.
